## **FLAG MAKES STOP IN BANKS**

A flag that is traveling through all 159 counties in Georgia made a stop in Banks County last week. The executive directors for the 16 regional development centers in Georgia have been working with the Navy League on a project to take the flag to all of the counties in the state. The USS Georgia submarine will be retrofitted from a ballistic sub to another mission and restationed at Kings Bay in Camden County, Georgia. As part of the relocation to Georgia, the Navy League is planning to honor the return to Georgia by getting a flag taken to every county in Georgia and then placing it permanently in the USS Georgia. After the flag has traveled through all 159 counties, the flag will be presented by Gov. Sonny Perdue to the Commanding Officer of the USS Georgia at the Return to Service Ceremony in Kings Bay on March 28. The flag was in Banks County on January 7.
